A Diary of

다이어리  
Troublesome Adventures

Then...  
Domino-sim  
too...

Don't you  
understand  
what I'm  
saying?

부끄러워...

I'm saying  
let's go on  
a date.

Huh?

Sorry,  
Won.  
We'll be  
going.

Ah...!  
Wait!!

You'll  
pay right?  
You're  
rich.

Hm...  
What should  
we see?

Well, it's  
a date so a  
romance  
movie!

...I know  
you hate  
me, but  
stop being  
like this.

Especially  
in front of  
Dominic-  
nim.

I'm really  
sorry for what  
I did, and I'll  
apologise...

Stop it.

I'm not  
doing this  
just to receive  
an apology

But...

Then tell  
me...

And that  
you'll choose  
me over where  
you were  
born, over  
your duty as  
a deputy.

Just say it.  
You don't  
have to  
mean it...

You're  
good at  
saying  
things you  
don't feel

If you want  
to be forgiven  
by me...

That I'm  
the most  
precious...

...See?  
You can't.

When you  
don't need me  
anymore,  
you'll just  
abandon me  
and leave.

With that,  
why should I  
care for you?

I'm going to  
do everything I  
wanted to do  
with you start-  
ing now.

I couldn't  
care less how  
you feel, I'll  
just do as I  
like.

That oath  
before...

...wasn't  
a lie.

..I'll  
stretch  
out my  
hand.

*...and you'll  
grab that  
hand.*

*I've dreamt  
of that for  
a while...*

If you want,  
I'll give you  
everything I  
have.

And to  
protect you,  
I'll give up my  
life without a  
thought.

But...

I can't  
choose only  
you.

To me,  
being the  
Anarchia is  
what I am.

To love  
someone  
while denying  
yourself...

I can't live  
without it.

Because  
if I did, it  
wouldn't  
be me.

...Is  
impossible.

I told you I  
couldn't care  
less how you  
felt.

...Who  
cares?

Since we're  
here anyway,  
let's go watch  
a movie.

What  
the  
hell's  
with  
that?

You're  
saying that  
you can't  
choose me  
anyway.

...Bad  
bastard...

-end-

I didn't  
have any  
expectation,  
but it was  
pretty touch-  
ing.

Eh?  
Your  
eyes are  
red.

You cried,  
didn't you?

...I guess  
'cause it was  
too boring.

Eh- You  
cried.

I guess!

That  
night.

Ah,  
wait...

Stop it.

I don't  
think this  
is the right  
thing to do,  
Saeju.

MOVE  
OVER...!

Calm  
down and  
think this  
through.

Don't be  
like this...

I TOLD YOU  
TO MOVE!!

펄럭

Heh!

...I want  
your face to  
be the first  
thing I see  
when I wake  
up in the  
morning.

That's all.

Don't  
have weird  
thoughts.

Good  
night.

~~~~~

*Is she  
asleep...?*

*I didn't  
think that  
I'd sleep  
on the roof  
if I wasn't  
working...*

뒤  
쳐

I can't  
sleep...

Morning  
after

Yohan ♡

Let's go to  
school holding  
hands—

Saeja,  
wait a  
moment...

Let go...

This is the  
first time  
I've seen  
Yohan-hyang  
struggle  
like this.

My chest  
hurts, but...

I think  
this is  
pretty  
funny...

Sorry,  
Yohan-  
hyang.

...She's  
someone  
he'll have to  
let go of  
sooner or  
later

Little by  
little... he'll  
have to get  
used to it.

Wow—

Saeju,  
you...

Where are you trying  
to run away?

Dominic-nim!!

탁

OUR TOP  
PRIORITY IS  
TO FIND THE  
LOST FIRST  
PRINCE!

Why are you pulling at  
me all of a sudden?

...Why?

It's because  
he hasn't  
revealed his  
position as  
the master of  
succesion.

And now  
that I think  
about it, I think  
I heard that...  
your life gets  
shortened...

What does  
that mean?

...In the past,  
we weren't  
always a  
monarchy.

The monarch  
system was formed  
because too many  
varying opinions from  
different people brought  
confusion and chaos,  
and so it was decided  
that one person who  
is wise and right  
would lead the  
kingdom.

So he'd  
always deliver  
fair judgements,  
the King is  
robbed of all his  
emotions.

To keep him  
in that state,  
he is given  
chemicals.

and because  
of that, he  
can't live past  
half his ex-  
pected life.

It is with the thought that one person's sacrifice would make kingdom the very best it could be.

Won...!

How could you...?

**GIVE UP  
RIGHT NOW!!**

Et

**DON'T  
GO ANY  
FURTHER!!**

**YOU DIDN'T  
WANT TO BE  
SOMETHING  
LIKE A KING IN  
THE FIRST  
PLACE!!**

...That's  
difficult  
now...

HH

We can't let the kingship be given to someone whose location is not even known, just because everyone else doesn't want it

That is why we have to find that person.

Uh, Yohan-hyung...

You don't plan on forcing the kingship onto hyung-nim, right?

As if.

!

I just wanted to make sure.

Currently,  
there are too  
many compli-  
cations.

WHO ARE YOU?  
PRINTING HIS NAME DON'T  
EVEN WORK.

It's written  
all over his  
face!!

IF WE CAN REMOVE  
THINKING-RIM, THEN  
I DON'T CARE.

His inner  
thoughts are  
written on  
his face!!

OKAY!!

SINCE THIS IS  
KOREA, YOU  
SHOULD FOLLOW  
KOREAN LAW.

탕

OUR COUNTRY  
BELIEVES THAT  
ELDERS HAVE FIRST  
PRIORITY, SO IT'S  
ONLY RIGHT FOR  
THE ELDEST SON TO  
BE THE SUCCESSOR!!

I DON'T CARE WHO WE  
GIVE THE JOB TO.

WE CAN'T LET HIM  
BE THE SUCCESSOR.

할 할 할

They're  
partners  
in rela-  
tions like  
this.

Sigh...

Is it

really  
okay...?

At first,  
I didn't want  
to be king  
because I  
didn't want to  
fight with my  
Hyung-nims

...It's  
scarier  
the more  
I think  
about it.

... Father's  
cold gaze...

I thought  
that we  
finally made  
it over a  
hurdle.

I thought  
it was  
because I  
was so  
pathetic...

Kayou-hyang-nim  
must have thought  
that since he was an  
illegitimate child,  
Father hated him.

The issue of  
kingship might  
have been the  
cause of the all  
troubles within  
the palace.

Something  
like this isn't  
a logical or  
valuable  
sacrifice.

But...

What does  
he want  
from me...?

Why did  
Father want  
me to be the  
successor?

...-ppa

Oppa.

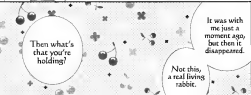

Have you  
seen my  
rabbit?

Will you  
help me  
find my  
rabbit?

*Huh...?*

Then what's  
that you're  
holding?

It was with  
me just a  
moment ago,  
but then it  
disappeared.

Not this,  
a real living  
rabbit.

Is that  
so?

Okay, I'll  
help  
look  
with you.

A rabbit...

Is that the  
thing that  
likes grass  
with big  
ears?

Ah...!

HERE!!

IT'S  
HERE!!

Here...!

!!

**EH??!**

...Kayan.

Find him  
quickly.

Has there  
been any  
progress so  
far?

Yohon, the  
lights don't  
have that much  
free time.

We can't find a  
trace of where  
he last was.

He lived on  
Earth for so long,  
that it's not easy  
to find his spirit.

...Anyway  
I leave it to  
you.

Find him as  
quickly as  
possible.

Dominic-nim  
has been here  
too long.

He might be  
a donor, but his  
body might  
have complica-  
tions at any-  
time soon.  
So.

I... I MET  
HIM!

MY ELDEST

...The first  
King's  
successor  
who disap-  
peared,

Marian  
Aeternus-  
nim?

Ah, yes.

I wonder  
how long it's  
been since I  
was last  
called that.

*You can't do as you like!*
